

Hymn of Freedom

When every heart joins every heart and together yearns for liberty, That's when we'll be free.	Quand tous les cœurs se joignent à tous les cœurs et aspirent ensemble à la liberté, C'est alors que nous serons libres.
When every hand joins every hand and together molds our destiny, That's when we'll be free.	Quand chaque main se joint à chaque main et façonne ensemble notre destin, C'est alors que nous serons libres.
Any hour any day, the time soon will come when men will live in dignity, That's when we'll be free, we will be.	N'importe quelle heure n'importe quel jour, le temps viendra bientôt où les hommes vivront dans la dignité, C'est alors que nous serons libres, nous le seront.
When every man joins in our song and together singing harmony, That's when we'll be free.	Quand chaque homme se joint à notre chanson et chante ensemble l'harmonie, C'est alors que nous serons libres
